

NRPR Group Continues Growth at Rapid Pace, Celebrating New U.S. and International Client Wins in Q1 2017

Team NRPR Welcomes New Clients from Silicon Beach, Indonesia, and Nevada

BEVERLY HILLS, Calif., April 5, 2017 – [NRPR Group LLC](#) (NRPR), an award-winning public relations, social media marketing and strategic positioning agency founded by industry pro Nicole Rodrigues and servicing clients all over the world, is excited to announce the newest additions to its client roster in Q1 2017.

“It amazes me how NRPR Group continues to serve clients worldwide, right from our backyard in Beverly Hills,” said Nicole Rodrigues, founder and CEO of NRPR Group. “Our continued growth is a testament to the systems we’ve built to ensure clients get coverage at all times, no matter where they are in the world. We love working with executives of all types and backgrounds. We are truly becoming a global brand and couldn’t have picked a better group of companies to bring on in the New Year and we’re fired up to be extensions of their teams.”

The newest companies to sign with NRPR Group in Q1 2017 include:

- **Heal (Silicon Beach):** Heal is transforming healthcare with unhurried house calls through empowered, qualified doctors doing what they love. Through the touch of an app or a click on Heal’s site, a highly-vetted, qualified medical doctor will arrive at your door, twelve hours a day, 365 days a year.
- **WIR Group (Indonesia):** WIR Group is a new breed of creative technology companies, bridging positive impacts through meaningful products, services and experiences.
- **Hyperbiotics (Nevada):** Hyperbiotics offers probiotic supplements designed to help people (and pets) live healthier, happier lives by improving -- and educating them about -- their microbial health.
- **Appetize (Silicon Beach):** Appetize provides next-generation point of sale technology for live events, powering mobile, kiosk, touchscreen and tablet concession sales for major sports leagues and vendors nationwide.

NRPR Group is working hard to secure media opportunities for its new clients and has already garnered coverage for them, and others, with CNBC, Mashable, TechCrunch, VentureBeat, Forbes, Entrepreneur and more.

“Our team is incredibly proud to represent these game-changers in their respective industries,” said Rodrigues. “They’re all on missions to identify problems and broken systems, develop thoughtful solutions, and really create change that’ll have an impact for people. It’s truly an honor to work with them.”
